DIRECTOR'S NOTE

As a teenager I was raised in the city from which all theatre stems - New York City. My parents introduced the family to the theatre and one of the most memorable performances for me was that of SOUTH PACIFIC. When I first entertained the idea of directing a musical production for Rivertown Players, my thoughts always drifted back to the dynamic character of Nellie Forbush and the comedy relief of Luther Billis and his crew of sailors. Through the years, the musical arrangements from this show have remained my favorites.

I would like to take this opportunity to thank my sister Jackie for assisting me during this production. I can't begin to express what she means to this show and to me.

Jackie and I would both like to thank our parents, Elaine and Bill Forrester for their love, guidance and encouragement - not only during this production but throughout our lives. For this reason we would like to dedicate SOUTH PACIFIC to our parents and also to those Americans who served in the Armed Forces during World War II. May the patriotic pride and concerns of your generation never be forgotten.

To Mary Weber, Wayne Kirsch, Bev Berry, Barbara Holdcraft, Carol Stenger, Shirley Drury, Linda Carter, Chris Bayer, the cast, committees and Board of Directors I extend my love and gratitude. Their dedication, talent and patience over the past months have been truly appreciated.

Finally, as the curtain rises, and Bali Ha'i whispers to you from the wind of the sea, the directors, cast and crews of SOUTH PACIFIC hope your memories of tonight's performance will be of love, comedy and entertainment. We *THANK* and *APPLAUD* you, our beloved audience.
