About Hillforest . . .

The lovely Hillforest mansion in Aurora, Indiana, was home to the Thomas Gaff family from 1851 to 1891. The home has been lovingly restored to its original condition, and was listed as a National Historic Landmark in 1992. The Hillforest Historical Foundation is a non-profit organization that cares for the home and hosts a variety of events to showcase its beauty throughout the year. Check out their website at www.hillforest.org.
