His owner and rider Robert, named the horse Thunderstorm after it was frightened during a terrifying storm as a colt. Rex, a "friend" from the past has been hired as the horse's trainer. He has a tendency to be rough with animals. This "friend" also has eyes for Robert's fiancé, Clementine.

One night during an intense storm, Rex and fellow farmhand go the barn during extreme bouts of lighting and thunder. A short time later, no one can find Rex. Leave it to a visitor, Miss Marble to solve the mystery.
