**The Marquis Crossing Ladies Society's
First Attempt at Murder**

by Pat Cook

The Marquis Crossing Ladies Society is getting together for their monthly meeting. On the agenda; MURDER! While this seemingly innocent group of women attempt to create the perfect demise of an unwitting politician, they are interrupted by a neighbor, two escaped felons and of course the police. Filled with suspicion, suspense, and surprise, oh, and yes, doors, lots of doors, our cast of characters will keep you wondering WHO DUNNIT?.....

The Hillforest Board of Directors
and staff sincerely thank the
