Agatha Christie

Born in Torquay, England in 1890, **Agatha Christie** is the best-selling novelist of all time. With over one billion books sold in English and another billion in over 100 languages, she is outsold only by the Bible and Shakespeare. She wrote 80 crime novels and collections of short stories, over 25 plays (including *The Mousetrap*, the world's longest running play), and six novels under the pseudonym Mary Westmacott. Her first novel, *The Mysterious Affair at Styles*, introduced the world to the Belgian detective Hercule Poirot, followed a decade later by the shrewd and often-underestimated Miss Marple.
